FOR IMMEDIATE RELEASE
November 19, 2015

**GRAPHENE LEADERS CANADA INC.
PRESENT TO LOCKHEED MARTIN AT
AEROSPACE INDUSTRIES ASSOCIATION OF CANADA (AIAC)**

Ottawa, Ontario, November 19, 2015– Graphene Leaders Canada (GLC) Inc. President and CEO, Donna Mandau and Dr. Leah Coumont, Scientific Lead-Environment, present at the Annual Aerospace Industries Association of Canada Conference. The focus of the presentation was to provide the advancements of graphene and work developments of GLC with the audience predominately being Lockheed Martin high ranking Executives.

Sponsored to attend this event through Alberta Innovates Technology Futures (AITF), GLC held a booth and shared information with aerospace and technical representatives of many global companies looking for high quality nanomaterials to advance their work segments. Many new initiatives and opportunities arose from this event.

About Graphene Leaders Canada Inc.

Graphene Leaders Canada (GLC) Inc. is a private Alberta technology company producing very high quality, and high purity graphene nanomaterials which function as a platform technology leveraging the properties of graphene to integrate into unlimited application solutions.
