**GRAPHENE LEADERS CANADA INC.  
PRESENTS AT GRAPHENE & MARKETS 2016 CONFERENCE - LONDON, UK**

**GRAPHENE STANDARDIZATION AND COMMERCIALIZATION IN CANADA**

Edmonton, AB, November 29, 2016 - Graphene Leaders Canada (GLC) Inc. is pleased to announce that President and CEO, Donna Mandau and Director of Research and Development, Dr. Leah Coumont, presented at the Graphene & Markets 2016 Conference with their presentation entitled "*Graphene Standardization and Commercialization in Canada*". Dr. Coumont highlighted the importance of standardization and presented the company's progress in graphene environment and coatings projects.

"The Graphene & Markets 2016 Conference was an excellent opportunity to connect with other leaders in the graphene community. We were proud to present our recent developments in our work with the National Research Council of Canada (NRC) and the Canadian Standards Association (CSA) in both national and international standardization. As well, this was a valuable event to better realize GLC's opportunities and position in the global market and to establish new partnerships with other businesses in the graphene industry" said President and CEO, Donna Mandau.

The Graphene & Markets 2016 Conference was held on Tuesday, November 28th and Wednesday, November 29th at the AMBA Hotel in Charing Cross, London, UK. The conference and exhibition brought together graphene researchers, manufacturers, and a multitude of end users to explore new markets and commercialization in a wide range of applications. This is the only event of its kind to deliver leading market intelligence and industry presentations on the latest graphene advancements.
